# INCIDENT BREAKDOWNS

## EXECUTIVE SUMMARY

In 2021, the Prince William County Police Department conducted 10 murder investigations that resulted in the deaths of 10 victims. In nine cases, the victim died from being shot while the tenth victim was stabbed. Four victims were shot and killed during a domestic-related encounter. In three of these incidents, the offenders committed suicide while the fourth offender was arrested. Two victims were shot and killed in separate incidents that were determined to have a narcotics-nexus. In both cases, offenders involved in the incidents were arrested. Two victims were shot and killed in the parking lots of separate commercial establishments. The offenders involved in both investigations were arrested. One victim was fatally stabbed by an acquaintance of a family member following an altercation involving the victim and the family member. One victim was shot and killed in circumstances unknown. No suspect has been identified and the case remains active.

Five of 10 murders occurred in the Woodbridge area of Prince William County, three occurred in Manassas, one occurred in Dumfries, and one occurred in Gainesville.

In addition to these incidents, the Police Department investigated two shooting deaths which were deemed justified by the Commonwealth Attorney's Office. Both incidents involved an intruder entering or attempting to enter a home. Detectives also investigated a negligent manslaughter case where the suspect was handling a firearm that discharged, striking and killing a juvenile victim. Crash investigators also charged a driver with negligent manslaughter following a fatal crash where the driver was determined to be under the influence. Crash investigators charged a separate driver with felony homicide after their actions prevented a pedestrian, with whom they had struck with their vehicle, from calling for help.

This addendum includes a brief synopsis of each murder investigation and the other investigations described above from this year in order of occurrence.
